

## MEET THE NEWEST MEMBER OF YOUR MARKETING TEAM

Where can you find a marketing team member who works 24/7 and rarely makes mistakes? One who can look into the future and yet provide an instant return on your marketing investment today. Look no further! Concord Servicing and Brand Tango, industry leaders in providing technology solutions, have created the ideal candidate - **Qualify™**. This mobile-friendly application identifies, in real-time, whether a consumer has a FICO score in a range that meets your pre-determined qualifications. It's economical, accurate and instantaneous – and it's ready for immediate hire!

Once again, Concord Servicing delivers cutting edge technology solutions that support timeshare developers and operators as they navigate new business models. Stop by our booth at ARDA and see how we can improve your bottom line – **and make your world work better.**
